

# What are the clinical considerations and challenges for the older patient with depression?

Industry Mini Session financially supported by H. Lundbeck A/S during the 37th ECNP Congress

**Sunday 22 September 2024, 17:45–18:30 CEST**

Space 1-2, Allianz MiCo, Milan, Italy

Session: IMS08

**Elena Ros Cucurull**  
Spain

**Bernardo Dell'Osso**  
Italy

**Zahinoor Ismail**  
Canada

## Agenda

### **Elena Ros Cucurull, Spain (Chair)**

Welcome and introductions

### **Bernardo Dell'Osso, Italy**

The burden of MDD in an ageing population

### **Zahinoor Ismail, Canada**

MDD in the older patient: management and treatment approaches

### **A Q&A session will follow the presentations**

Join us for an Industry Mini Session with our expert panel **Elena Ros Cucurull (Chair)**, **Bernardo Dell'Osso** and **Zahinoor Ismail** as they explore clinical considerations and treatment challenges for older patients with major depressive disorder. The faculty will examine the burden and co-morbidities experienced by this patient population, as well as review the latest available evidence on management and treatment approaches.

The European Accreditation Committee in CNS (EACIC) has granted 1 CME credit to this Industry Mini Session. Both in-person and online participants can claim CME credits via the online congress platform. The deadline is 18 December 2024.
