

The many faces of depression and anxiety: Precision is key to achieving better outcomes

Industry session financially supported by Viatris during the 37th ECNP Congress.

 23rd September 2024, Monday

 08:30-10:00 CEST

 Brown Hall 3

We are delighted to invite you to an insightful **industry satellite symposium** on **the many faces of depression and anxiety, and to assess why precision is key to achieving better outcomes**. Lectures will be focused on:

i. Depression in **women of reproductive age**; ii. Managing symptoms like anhedonia, amotivation and anergia in MDD to **achieve functional recovery**; and iii. The role of benzodiazepines in managing **patients with disabling anxiety**.

FACULTY

CHAIR:

Prof. Christoph U. Correll, Gemany/USA

Professor and Chair, Child and Adolescent Psychiatry, Charité – Universitätsmedizin, Germany
Professor of Psychiatry and Molecular Medicine, Zucker School of Medicine at Hofstra/Northwell, USA
